

## A New Beginning

Dear Friends,

For nearly two decades, the annual Glen Mills Golf Tournament has supported young men in pursuit of their dreams of post-secondary education by providing critical scholarship support. As a result of many generous individuals and organizations, more than \$1.7 million has been awarded since 2002 to deserving young people through over 400 individual scholarships. The difference you have made in the lives of young men has been truly incalculable. We would like to take this opportunity to thank you for the profound generosity you have shown over the years.

Our organization remains committed to transforming the lives of youth. As the school embraces a new beginning, we have reimagined how we can best serve at-risk youth both on campus, as well as in the community. There is profound need all around us; and we are committed to ensuring your generosity reaches students who need it most.

Moving forward, we will be working alongside multiple local partners to support the dreams of underserved youth in our community. We will also be supporting youth in local schools which prioritize the use of restorative practices. Restorative practices ensure students have more opportunities to succeed by helping students grow from school infractions, instead of relying on traditional punitive practices like suspension or expulsion.

Our 20th Annual Golf Tournament will be held this year on Monday, June 13. Whether you sponsor the Golf Tournament or join us as a foursome, you will be supporting resilient young men and women and ensuring a future filled with hope and opportunity. There has never been a better time to give. Through your generosity, we have touched so many lives already. As we work towards a new and brighter future, we are excited to support our community partners and youth at an unprecedented level. Please follow us on social media to learn more about our new community partners, and join us at the outing to meet students who are benefiting from your sponsorship. Once again, we thank you and appreciate your generosity in keeping the dreams of deserving students alive.

Sincerely,

  
Scott Grau  
General Manager  
The Golf Course at Glen Mills
